**2010**

**Payment Plan and Agreement:** I understand a non-refundable, non-transferable deposit of \$100.00 per child per session is required with this camper registration form to hold my child's space at camp. If applying for a scholarship, please read the statement on the other side of this form. The deposit will be credited as part of the camp fee and the **balance of the total fee is due one (1) month prior to the camper's session.** If payment is late, the camper's registration is moved to the waiting list and cash or certified check will be required for payment. The balance of the camp fee is refundable only if cancelled one month prior to departure for camp or for a bona fide medical reason. The request for cancellation must be requested in writing to the Camp Jorn YMCA Registration office. Refunds are not issued to campers going home early for disciplinary action or homesickness. Transportation from camp is the responsibility of the parent/guardian if the child is sent home early for any reason. Camp fees include lodging, meals, staff supervision and most program activities.

**Choose the price you can afford.**

We understand that different families have differing abilities to pay for summer camp. We are continuing the three level pricing structure introduced last year because it better accommodates all financial needs. Selecting the highest tier you can afford allows Camp Jorn YMCA to best stretch its funding and continue to improve the quality of each camper's experience. Please do not feel obligated to select the highest price. The Tier Pricing program **in no way influences the experience your children will receive!** We simply feel it is important to share with parents the true costs of Camp Jorn and give them the opportunity to decide how much they can contribute toward their child's camp experience. As always, further financial assistance is available for families through the Strong Kids Scholarship Fund. Read the "Camper Scholarship Program" box for details.
