

## Camper Bus/Car Transportation Schedule 2010

---

### Sign Up Tips for Lamers Coach Bus Services to and from Camp Jorn YMCA:

- 1) **ENROLLMENT:** Enroll your camper for bus service needs now, if you have not done so with registration. If you need to make changes later, it is easier to switch services than to have no service needs on file. All bus needs must be made a minimum of **one month** prior to your camp session. A bus refund will not be issued for those changing or cancelling bus needs less than one month prior to your camp session.
- 2) **BUS LOCATIONS:** We offer several convenient locations for your camper's departure and arrival needs. We are not allowing families to have the location to camp different from their arrival home location. If you have a special circumstance, contact the camp office at 715-543-8808.
- 3) **LUGGAGE TIPS:** Camper's will pack their **one** piece of luggage (name labeled on outside) under the bus in the luggage compartment. **One** backpack or small bag is allowed on the bus. This should have the camper's lunch and snacks for the day, plus any appropriate reading materials, crafts, cards or other games. **One** pillow can also go on the bus with them. **ELECTRONICS OF ANY KIND ARE NOT ALLOWED ON THE BUS OR IN THE CAMPER'S BELONGINGS.** We appreciate your strict support of this policy.
- 4) **MEDICINE:** Do not pack **ANY** prescription or non-prescription medications. **Prescription** Medicine should be in the original container with a current prescription on it. Turn in medications at bus check in. Put it in a zip lock bag with your camper's name on it and give to staff at our check in area. If your camper needs over the counter medication, such as Tylenol or Advil, they can get that through our Health Director at camp. **Camper's with Asthma:** Yes! Have one prescribed inhaler with your camper on the bus, and turn in an extra inhaler at bus check in.
- 5) **PARENT SUPPORT AT BUS LOCATIONS:** Our staff and volunteers look forward to being active partners with families during bus times. Remember to give your camper confidence by supporting our staff and volunteers. Our staff will always keep you updated with current news and guidance during departures and arrivals. Please show your support by talking with staff in private with any concerns or questions you may have. We ask all adults to refrain from smoking at bus locations. Thank you for your support!
