2012

Payment Plan and Agreement: I understand a non-refundable, non-transferable deposit of \$100.00 per child per session is required with this camper registration form to hold my child's space at camp. If applying for a scholarship, please read the statement on the other side of this form. The deposit will be credited as part of the camp fee and the **balance of the total fee is due one (1) month prior to the camper's session.** If payment is late, the camper's registration is moved to the waiting list and cash or certified check will be required for payment. The balance of the camp fee is refundable only if cancelled one month prior to departure for camp or for a bona fide medical reason. The request for cancellation must be requested in writing to the Camp Jorn YMCA Registration office. Refunds are not issued to campers going home early for disciplinary action or homesickness. Transportation from camp is the responsibility of the parent/guardian if the child is sent home early for any reason. Camp fees include lodging, meals, staff supervision and most program activities.

Applying for Financial Assistance

A camp experience provides unparalleled opportunities for positive youth development and it is our goal to make our programs available to all regardless of a family's ability to pay the full fee. We fully understand that each of us needs a helping hand from time to time. We have a Scholarship Program in place to meet this need. We want to support those engaged in improving and enriching the lives of their children.

To apply for a camp scholarship, complete the Camper Registration Form, and the Camper Scholarship Application. The Camper Scholarship Application form, is available for download from our website. Send the completed forms and deposit (\$50 per camper per 1 week session or \$100 per Leadership Development Program) to the camp office. Upon receipt of both forms, and deposit, your application will be reviewed and you will be notified, within two weeks, of your allocation via phone or email.

We still need more information!

Camper's Name _____

Choose the price you can afford. Fees include staff, most activities, instruction, equipment use, wilderness trip, meals, lodging, and facilities. We are happy to offer our families two fee options. You may choose the actual fee or the adjusted fee. The actual fees reflect the true cost needed to deliver a Camp Jorn experience. Because of generous contributions to our Strong Kids Campaign, we are able to offer families an adjusted fee. Please choose the fee which is most suitable for your family. The fee you choose in no way influences the experience your camper will receive. Payment plans and Scholarships (financial assistance) are available. Please contact our office for more information: 715-543-8808.
