

Packing for Camp

A suggested clothing and packing list is available for you below. Your camper can use this list to repack things when they pack to return home by sticking it in their duffel bag or suitcase. Here are a few tips and tricks for packing for camp:

Label Everything!

Even socks and underwear. Use a name tag, laundry pen, or permanent marker.

Good shoes are important for your stay at camp. **Closed toe shoes are required at camp!**

Do not pack or send food that contain nut products. It will be confiscated.

Special Suggestions:

Bring a favorite stuffed animal, pictures, or comfy pillow.

All backpacks and duffels should be labeled inside and outside the bag.

Camp is not a place for expensive items. Please do not pack anything that is on the leave at home list.

Suggested Camper Packing List

- Modest bathing suit attire is recommended.
- Closed-toe shoes are required for active camp programs.
- Clothing with alcohol, tobacco, drugs, sexual content, or inappropriate language will not be permitted.
- Camp Jorn will provide any sports and specialty equipment you need for activities.
- The list is for one week of camp – for two weeks please double amounts of single wear items such as socks and underwear
- TEVA, horseback riding and waterski campers have some additional items suggested on the next page.

Please make sure to pack enough as there is no laundry available. Camper's staying longer than 2 weeks will have an opportunity to do laundry once during their stay.
