

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Dear Parent/Guardian,

The Coronavirus (COVID-19) has created uncertainty worldwide, including among our summer camp communities.

At Camp Jorn YMCA, we have been monitoring the situation from the onset with a perspective of the potential impact to all our summer programs, staff and community.

We want to assure you that we are actively examining and changing our arrival screening and health response procedures for this summer. We are updating our cleaning procedures to include the specific anti-viral measures suggested/required by our local Health Department. Working from the CDC guidelines and in collaboration with our medical advisors, we have strengthened our health screening processes beginning with summer programs. We will implement CDC criteria to help ensure that participants joining our Camp community are healthy. Your camper's safety is our number one priority.

We are fully prepared for another exciting summer at Camp Jorn YMCA and we are excited to make lasting memories for campers in 2020. If there is a continuing uncertainty of COVID-19 and Camp Jorn YMCA must cancel summer programming for 2020, please know that Camp Jorn YMCA will provide full refunds to all families. At this time, we have no plans to cancel any Camp programs. We will continue to monitor the situation and will make decisions based on National and State health policies and recommendations.

We will commit to regular updates about our plans, policies, and new protective & reactive procedures through CampMinder messages, constant contacts, Facebook posts, etc. If you have any questions regarding updates, policies, etc. please contact Dennis Lipp, Executive Director, at dennis@campjornymca.org or Nina Rouse, Camp Director, at nina@campjornymca.org.

We thank you for your cooperation in keeping our community safe.

Dennis Lipp
Executive Director

Nina Rouse
Camp Director
