

Camp Jorn YMCA

Wisconsin's Northwoods Destination for Professional and Special Events

Facility Information

Dining Hall

The perfect dining and banquet facility. Built in 1993 this building serves as our main Dining Hall and meeting area. The rustic log décor is perfect for all Northwoods events! Attached to the Dining Hall is our modern commercial kitchen that is available for your own dining needs or for any catering options. Includes use of tables and chairs.

Program Center

Excellent meeting space for presentations or other social gatherings. On the main floor, there are 2 restrooms, internet hookups, kitchenette, electronic sky-light vents, and plenty of open space. The lower level of the building has one main room, with kitchenette.

Amphitheater

Beautiful outdoor amphitheater seats up to 140 people and makes for a great setting for outdoor weddings and group events. Power source available. Views of Rest Lake make for a perfect backdrop.

Bathhouse

Our immaculately kept, central bathhouse. Has separate facilities for men and women that include shower room with 10 showers and adjoining restroom amenities. Included with all rentals.

Green Space

Large, open area, centrally located. Ideal for large tent set-up etc.

Accommodations

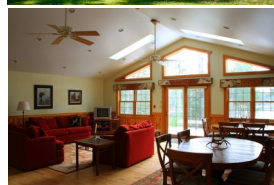

Nash Lodge

Historic building built from hand-hewn logs around 1924, renovated in 2011. Featuring stone fireplace, common area on lower level, upstairs has two common areas. Dining area with refrigerator, microwave and table that seats 10, gorgeous brick enclosed porch with red brick flooring, 2 full bathrooms and 5 bedrooms. All bedrooms offer a bunk bed with full sized bed on the bottom and twin bed on the top. Outdoor brick patio features an in ground fire pit. Sit on the bluff and take in views from Rest Lake.

Longhouse

This facility has 8 separate rooms that have bunk beds. The bottom bunk bed is a full size with the top bunk bed a twin. There are four full bathrooms and a large, comfortable commons area with full kitchen. There is a beautiful view of Rest Lake through the large windows, and from the spacious deck.

Chippewa/Mohican

Built in 1995, this facility sleeps up to 12 on each side for a total of 24. Each side is rented separately. Both sides are one large room that holds 6 twin sized bunk beds. Each side has a bathroom, shower and kitchenette.

Kicakpoo/Winnebago

Built in 2001, this cabin sleeps up to 12 on each side for a total of 24. Each side rented separately. Similar to Chippewa / Mohican with bathrooms, showers and kitchenettes but with more floor space, an entry/mud room and upgraded floor plan with tile and carpet.
